434 Lake Street #202 Excelsior, MN 55331

## **Waiver of Insurance and other Governmental Health Insurance Coverage with Agreement to Personally Pay for Services Rendered**

Welcome to my practice. I provide psychodynamic psychotherapy to individuals, couples, and families. Individual sessions are 50 minutes long and the fee is \$150. Couple therapy sessions are 75 minutes long and the fee is \$200. I do not work with or participate in any insurance plans or government programs such as MnCare, Medicare, MA, Medicaid, or GMAC. Therefore, you will be responsible for the cost of all your psychotherapy sessions. Payments must be made at the time of service, or I can bill you on a monthly basis. Should you desire to utilize your insurance, I will provide you with a receipt of professional services for submission.

I have read and understand that I am choosing to bypass my insurance and/or government insurance plan and agree to take full and complete responsibility to pay for psychotherapy services. I further agree to make full payment at the time psychotherapy service is rendered, or within one week of receiving a monthly invoice.
